

## Chinese Dance Learning Journey: The Making Of...

as part of NAC-AEP (Excursion) Programme

### Overview:

“The Making Of...” is a programme designed to provide the students with the behind the scenes peek into the Singapore’s professional Chinese dance company as we are preparing for our next core production.

Hosted by the company manager, students would learn about the processes of putting up a successful dance production, from studio to stage, as well as appreciating the people that work behind the scenes to make the production possible.

### Learning Outcome:

Through this programme, 1) Students get the opportunity to know more about the arts industry in Singapore. 2) Students get to learn and appreciate the various stages of putting up a dance production.
